# ICE WALKER 460

Leather freezer boot with performance insulation for maximum warmth and comfort in active job roles in the cold store

### Warmth

Using performance insulation and a faux fur lining to keep your feet at an optimum temperature in the cold store.

### Durable

The rubber sole is designed for maximum durability specifically in cold temperatures.

### Anti slip

Durable and grippy sole to help maintain a secure footing on cold and slippery surfaces.

Sizes: **4 (37) - 13 (48)** | Order Code: **IW460**

Water repellent leather • Ergonomically shaped heel and toe area • Fur lined footbed • Padded tongue • Extra long laces • Durable • Tested against the cold

## Typical Application

Used for pickers and high activity job roles in cold storage environments. Perfect if your job role involves a lot of walking.
