

ENDURANCE DRIVE JACKET X29J

SUPER FLEXIBLE

Using FlexEasy, a 4-way stretch fabric panel joining sleeve and body, designed to offer greater arm flexibility. The ergonomic design includes a ski skirt and higher front for maximum freedom of movement.

WARMTH & BREATHABILITY

Clo lightweight, non-bulky insulation provides great comfort and warmth. The BreathEasy panel and external back vent allows your body to thermo-regulate to it's ultimate temperature.

DURABILITY

Using 310gsm Endurance Fabric for maximum strength and durability placed in high-wear areas such as the arms and front of the jacket to increase longevity of the garment.
