

# FlexiTog®

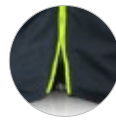

wear it. warm.

Experts in low & **sub-zero** temperature workwear

## CLASSIC COLDSTORE JACKET

HIGH FLEECE  
COLLAR

NEW IMPROVED ZIP  
GUSSET FOR EASY

### FLEX EASY

4 Way stretch fabric panel joining sleeve and body, designed to offer greater flexibility and easy movement of arms. This stops sleeves from riding up when reaching out.

Certified to  
**EN342**  
specifications

**Elasticated Cuffs**

Prevents cold air from entering the sleeves

**Improved Zip Gusset**

Minimises the strain at the bottom of the jacket, ensuring greater longevity and more comfort when bending or sitting

**High Fleece Collar**

We have incorporated a high fleece collar to provide a more comfortable solution than the standard collar. This also enables the wearer more freedom of movement for their head, in turn reducing stress and fatigue.

### Clo®

Insulation

Clo Insulation Univa provides a quality & comfortable feel to the jacket. Enhanced warmth due to Univa's Hollow fibre technology

**Large Front Pockets**

The large pockets on the front of our jackets have never been bigger! Great for storing gloves when not wearing, as well as valuables

**Order Code: X28J    Sizes: XS - 6XL**

### Description

The Classic Coldstore Jacket is not just your normal freezer jacket. Ergonomically designed, manufactured from HTY2 Fabric & Clo Insulation Univa, this is a world apart from our previous jackets. The patented FlexEasy sleeve design helps reduce wearer fatigue in the most demanding roles, coupled with the lightweight fleece collar for maximum comfort.

### Additional Features

- Arm pocket ideal for storing pens
- Inner & Outer pockets great for phones and valuables
- Extra yellow panels to improve visibility
- The FlexiTog FH762 hood can easily be attached
