

# FlexiTog®

wear it. **warm.**

Experts in low & **sub-zero** temperature workwear

## CLASSIC COLDSTORE SALOPETTES

Flexible, warm and designed for cold environments, works perfectly with our new Classic Coldstore Jacket X28J

**Clo**<sup>®</sup>  
Insulation

Clo Insulation provides great comfort and warmth whilst being lightweight and non-bulky

### Pre-Curved Leg Design

Pre-curved legs provide the wearer with a more comfortable experience.

### High Front & Back

A high front & back Salopette designed to provide extra protection to vital body organs.

EU COMPLIANT PPE SAFETY WEAR

**EN342**  
**0,628 (B) X,1,X**

### Seam Protection

Protecting areas of high wear is essential so we have covered the outside seam with Hi-Viz fabric for extra protection

**SIZES: XS - 6XL | SKU: X28S**

Being comfortable whilst working in an active job role in cold conditions is imperative. That's why in our Classic Coldstore Salopette, we use performance insulation from Clo Insulation. Teknica provides great warmth, but without the bulkiness of general thermal insulation.

### Additional Information

Long leg zips placed on the inside of the legs help dressing and undressing with boots • Deep front pockets great for storing pens, pencils etc!  
• Updated design straps mean a more comfortable solution to the standard buckle. • Bright yellow fabric the length of the leg provides great visibility, especially beneficial when working in low light conditions
