Experts in low & **sub-zero** temperature workwear

ENDURANCE DRIVE JACKET

For the highest level of warmth and comfort, perfect for FLT drivers.

VOICE PICK
COMPATIBLE

Voice pick pocket & loops inside the jacket provide a solution that is up-to-date with the latest picking systems.

Clo
Insulation

Clo Insulation Teknica provides great comfort & warmth whilst being lightweight and non-bulky

EN342
0,593 (B) X,1,X

Ski Skirt

Prevents cold air rising up in to the jacket

FLEXEASY

4 Way stretch fabric panel joining sleeve and body, designed to offer greater flexibility and easy movement of arms.

BREATHEASY

An area centre back of the jacket to regulate air flow and temperature, keeping the wearer more comfortable.

ENDURANCE
FABRIC

A new innovative fabric designed for maximum strength and wear placed in high wear areas such as the arms and front of the jacket to increase longevity of the garment

SIZES: XS -6XL | SKU:X29J

The Endurance Drive Jacket - Comfortable, warm & hugely durable. This jacket has been designed for FLT Drivers & persons working in a lower activity job role due to its warmer insulation. New features such as Voice Pick pockets, Improved zip gusset & designated Embroidery areas, provides one of the most modern freezer jackets on the market

Additional Information

Rated to Class 1 breathability • Arm pockets on both arms with 3 sections making ideal to keep pens/pencils • High fleeced neck collar with fabric for comfortable fit • Glove cuffs provide comfort to the wrist and stops the risk of cold air getting to the arm • Ski Skirt - Hugs the waist to prevent cold air from getting to the wearers body • Chin Guard - No cold zip against face • Pocket flap for logo embroidery • Zip puller for easy dressing/undressing with gloves
