PRODUCT DATA SHEET

The logo for FlexiTog, featuring the brand name in a white, bold, sans-serif font with a registered trademark symbol, set against a red rectangular background.

DESCRIPTION

This disposable safety knife is recommended for cutting stretchfilm, bubble wrap and shrinkfilm. A must-have tool for warehouse work, this knife makes light work of most plastic and cellulose wrappings, whilst helping to ensure the user does not suffer any cuts. Designed with an ergonomic handle, this disposable safety knife reduces hand soreness common with less comfortable handles. Colour may vary.

- Ergonomically shaped - For extra comfort when using
