DESCRIPTION

Sherpa Fleece Mitten Gloves

- A comfortable and flexible fleece glove, the FG23 Sherpa navy fleece gloves are the perfect choice for chiller and picking work that requires comfort, warmth and extra dexterity. Manufactured to the very highest standards, these navy fleece mitten-gloves will deliver years of use, no matter how harsh the environment.
- Intelligent peephole design ensures you will enjoy maximum flexibility with superior warmth. For a great combination, use this glove with our FG400 or FG440 liner.
- Benefits of the Sherpa Mitten Peep hole openings - Added dexterity for fingers and thumbs.
- Open gauntlet cuff - Easily fits over the cuff on your freezer jacket minimizing cold draughts.
- Elasticated Wrist - Better fit and comfort with no draughts to keep you warm Sherpa fleece lining - Traps more air to increase warmth for your hands
- Lycra Cuff Binding - Protection against fraying cuff seams
- CE CERTIFIED
- Manufactured to European standards 200g Micro fleece
