OVERVIEW

- A comfortable and flexible fleece glove, the FG23 Sherpa black fleece gloves are the perfect choice for chiller and picking work that requires comfort, warmth and extra dexterity. Manufactured to the very highest standards, these fleece mitten-gloves will deliver years of use, no matter how harsh the environment.
- Intelligent peephole design ensures you will enjoy maximum flexibility with superior warmth. Use this glove with our FG400 or FG450 liner for a great combination.
- Benefits of the Mitten Peephole openings - Added dexterity for fingers and thumbs.
- Open gauntlet cuff - Easily fits over the cuff on your freezer jacket minimising cold draughts.
- Elasticated Wrist - Better fit and comfort with no draughts to keep you warm Sherpa fleece lining - Traps more air to increase warmth for your hands.
- Lycra Cuff Binding - Protection against fraying cuff seams.
- CE CERTIFIED.
- Manufactured to European standards - Microfleece & Sherpa fabric.
