DESCRIPTION

The Super Grip 6 offers great grip and protection in a light-weight, flexible and warm picking glove with full EU health & safety compliance.

- Nitrile-dipped palms ensure extra strong, durable grip, while the nitrile coating means that no allergic reactions are experienced by the wearer.
- Benefits Looped lining - For extra warmth and comfort
- Non-allergic nitrile coating - No adverse reactions to glove wear
- Elasticated wrist - Better fit and comfort with no cold draughts
- Nitrile dipped palm - Extra strong grip coating for durability
- Conforms to EN388:2016 and EN511:2006
