DESCRIPTION

Warm, Lightweight Canvas Work Gloves

The Ultra-Palm 630 canvas work glove is a super light-weight, warm, flexible glove with great grip in cold conditions due to its PU honeycomb grip construction. Manufactured to the highest standards, the Ultra-Palm 630 will last for years, even in the most demanding of working conditions.

- Canvas construction - Greater flexibility
- PU Honeycomb Palm - Extra grip and protection
- Knuckle Guard - Added comfort and protection
- Open gauntlet cuff - Easily fits over the cuff on your freezer jacket minimizing cold draughts
- Adjustable Straps - No cold draughts and added comfort
- Hollowfiber insulation - Traps more air, better warmth, no extra bulk Multiple sizes - Giving you a better fit for maximum comfort
