DESCRIPTION

The Arctic Grip 640 is a super warm and flexible industrial freezer glove with IFX technology to keep your hands and fingers insulated in harsh conditions. Very flexible for more interactive work in the most demanding of low temperature work environments.

- Hollowfibre insulation - Traps more air, better warmth, no extra bulk
- Artery Guard - Added protection from cuts and damage
- Taslon Back - Greater flexibility with reduced wearer fatigue
- Goat leather palm - Greater flexibility and durability
- Pre-curved - Better fit and comfort without drafts
- Extra long cuffs Dual Stitching - Strength on the weaker areas
- Elasticated cuffs
- EN388 & EN511 Certified
