DESCRIPTION

Insulated Leather Work Gloves

Very durable, hard wearing, water-resistant leather freezer work glove with dual layering that increases durability and gives the wearer added comfort and protection.

Superior insulated leather work gloves for a wide range of harsh, low-temperature conditions.

- Extra Long Knitted Wrist - Added warmth and wrist protection
- Dual Thickness Cow Leather - Stronger on high wear areas
- Raw hide leather back - Added protection and reduced glove wear
- Wing Thumb Design - No seams on major wear area increasing durability
- Artery Guard - Added protection from cuts and damage
- Water resistant Palm - Strong and repels water increasing the life of the glove Hollow fiber Insulation - Traps more air, increasing warmth and maintaining slim fit
- EN388 & EN511 Certified
