## DESCRIPTION

---

A freezer mitten with a leather waterproof palm to give you added protection when working in chiller and freezer environments. Fantastic protection from windchill in driving applications

- Open Gauntlet Cuff - Easily fits over jackets cuff reducing cold draughts
- Waterproof Palm - Stronger and repels water increasing the life of the glove
- Wing Thumb Design - No seams on major wear area increasing durability
- Raw hide leather back - Added protection and reduced glove wear
- Hollowfiber insulation - Traps more air, better warmth, no extra bulk
- CE CERTIFIED
- Manufactured to European standards Multiple sizes, giving you more options ensuring maximum comfort
