### Ice Diamond 503 Workwear Boot Details

The Ice Diamond Coldstore Boot is proving to be the warmest, lightest and most versatile freezer footwear on the market. The leather upper and specially formulated PU sole of these unique work boots, ensures great strength and durability, while adding support to the ankle and foot. Created after years of research to bring you this unique patent-designed, durable work boot.

- Leather upper - Greater Strength and Durability on high wear areas
- Removable liner - While on break the operator can change their liners and have a dry pair for the next shift
- 200J Steel Toecap - Steel design provides 200J impact protection
- Felt insole - No cold transfer through the sole and the felt moulds to the shape of the foot for increased wearer comfort
- Specially formulated PU - Doesn't freeze up in cold conditions, so less cracking and better grip
- Easy on & off boots
- SRA Slip rated
- CI tested - tested against the cold
- Manufactured in India
