OVERVIEW

- Manufactured in Europe.
- Upturned outer fabric on the inside of the legs red increases the longevity of the trouser as the lining fabric is less likely to get caught.
- Anti rot thread increases the life of the garment, especially when worn in cold and damp environments.
- Lightweight & flexible fabrics keep the garments weight to a minimum which increases wearer comfort.
- Elasticated waistband keeps the garment in place ensuring wearer comfort and warmth.
- Durable HTTY Rip-stop external fabric means the garment can be worn for demanding applications.
- Leg Zips - Easy dressing and undressing when wearing footwear.
- Pre-curved leg design helps reduce wearer fatigue which in turn improves productivity.
- Large covered pockets at the top of the trousers are useful for keeping valuables safe and secure.
- Belt Loops mean that a tool belt can be worn.
- EN342 0,381(B),2,X Certified.
