DESCRIPTION

The X280 Coldstore Jacket is not just your normal freezer jacket.

Ergonomically designed, manufactured from HTY2 Fabric & Clo Insulation Univa, this jacket is a cut above previous versions. Most importantly, this freezer jacket has the same great warmth and breathability as the X240 jacket but we have enhanced the looks, comfort and performance resulting in a great all-rounder. The patented FlexEasy sleeve design helps reduce wearer fatigue in the most demanding roles, coupled with other features such as the new collar design for maximum comfort and the increased area of hi-vis fabric.

Defence technology. This garment uses Clo Insulation and specialist materials so that it can withstand 30 washes without losing its thermal performance. Find more about [Defence Technology](#) here
