OVERVIEW

- Manufactured in Europe.
- FlexEasy band on the shoulders provides greater flexibility and easy movement of arms when stretching.
- Endurance fabric on areas that tend to wear down quickest increases the longevity of the garment, saving money in the long term.
- **Clo Insulation** Teknica provides excellent warmth and comfort, which is most important when working in cold conditions.
- Arm pockets with dividers for pens, pencils etc.
- Certified to EN 342:2017 standards, with class 1 breathability.
- Ergonomically designed zip gusset prevents zip damage and allows greater comfort when bending or sitting.
- Ski Skirt helps to keep in warmth even when stretching by providing a seal around the waist.
- Fabric Chin guard stops the zip catching on skin or facial hair.
- High fleeced collar provides a more comfortable touch to the skin.
- Internal pockets compatible with most modern voice pick systems, provides a neat and comfortable solution to wearing voice pick apparatus.
