

KNEE PADS XK1

Pre-curved, deep-groove design which bends and moulds to the shape of your knee for a better fit and greater comfort.

Ref: XK1

Variants: Black

Certification 1: BS EN 14404:2004+A1:2010

Updated On: 24/11/2022

DESCRIPTION

Manufactured from the finest polyethylene foam, our knee pads are lightweight and very comfortable to wear. They have been designed in an economical style which provides additional comfort when kneeling on flat, horizontal surfaces, helping to improve productivity, safety and overall work place morale. These knee pads are particularly suitable for working in coldstores and freezer environments. However, they do not provide the requisite protection against sharp objects or sloping/uneven surfaces. Order work knee pads online today from FlexiTog.

- Certified to EN14404 specifications (Type 2 Level 0)
- 100% polyethylene foam
- Will fit in our Salopettes & Coveralls
- Please note: Not designed to protect against sharp objects and uneven or sloping surfaces
