## DESCRIPTION

---

Knee-High thermal work socks. These acrylic knee-high thermal work socks feature Hi-Stretch insulation technology for keeping the sock in place. They also allow for breathability, keeping your feet dry and comfortable, and have a contoured calf design for ultimate support.

They are ideal socks for wellington boots and other tall footwear. in both work and recreational environments.

- Size 7-11
- Hi-Stretch fit with elasticated ankle band and arch snug fit and prevents movement of socks to keep the wearer comfortable.
- Contoured calf design for a comfortable fit
- Breathable mesh areas - helps wick sweat away from the skin
- Hi-density impact zone on toe and heel - additional protection and comfort
- Thermo acrylic knit - traps more air for better insulation
