DESCRIPTION

A high quality leather shoe which is comfortable and compliant with safety footwear regulations

- Metal free - excellent for operatives working near metal detectors
- Water repellent leather - Keeping your feet warm and dry
- Hi-Viz Detailing - Be seen in low light areas
- 200J Composite Toecap - The same protection as steel without the weight
- Anti Scuff Toecap - Extended life of the footwear
- Composite Lenzi mid-sole - Greater area of protection than a steel midsole equivalent and is lighter in weight providing better comfort and safety
- SRC Slip Rating
- Padded Upper - Designed to keep in the warmth and prevent exposure from cold air
