DESCRIPTION

The ActiveChill trouser is the perfect choice for those working in a chilled temperature warehouse or production, or simply if you are looking for that extra protection in the winter. Complete the look by wearing with either our ActiveChill Jacket or Gilet – excellent for that modern corporate look, whilst keeping warm.

- Lightweight insulation with super breathable lining and fabrics keeping you warm in the cold, but not sweaty
- Yellow design on the side of the trouser for maximum visibility in poor light
- 80gsm Insulation
- Manufactured in Europe
- Covered Pockets on the front stopping the contents from spilling
- Buttoned Pocket on the Back
- Belt loops
- Inspired by an athletic sports cut for comfort and ease of movement
