Washing Instruction	

OVERVIEW

- Made from a long lasting high grade fabric.

- Designed for all outdoor sports and for use in any harsh weather conditions, ideal for low and sub-zero temperatures.

- Due to a 37% increase in polypropylene, this product absorbs moisture effectively and wicks sweat away from the body, keeping the wearer dry and sweat free.

- Seamless body design provides a comfortable fit. Its elasticity provides comfort and a range of active free motion.

- Made from fibres that have passed the STANDARD 100 by OEKO-TEX, this ensures the product is harmless to human health.
