

DEEP FREEZE TROUSERS X33T

A warm and comfortable Deep Freeze Trousers to accompany the X33J Freezer Jacket

Dual 150g Wadding Layer
Trapping air for extra warmth.

HTY2 Fabric™
Ultra strong fabric resistant to the harsh demands of the cold store areas.

Durability
The X33T uses hardwearing, colourfast fabric for maximum longevity and dark colours in high wear areas to prevent stains. The fabric is turned up on the inside of the leg for extra durability.

Comfort

Featuring an elasticated back and adjustable straps for an extremely comfortable fit.

Warmth

These salopettes use a dual 150g layer of Clo Insulation to give a combined 300g weight, and have undergone performance tests in temperatures down to -80°C to prove their warmth.

Use with X33J jacket

Sizes: **XS - 6XL** | Order Code: **X33T**

HTY2 fabric™ • Anti-rot thread • Outer pockets • OptiZip BS3084 zipper • Bar tacked for extra strength

Typical Application

Typically used by pallet truck and FLT drivers in the deep freeze. These trousers are perfectly suited to lower activity job roles due to the dual layers of insulation.

Important! Certification for this product is only valid when worn with corresponding certified jackets

Please ensure you read the User Guide (which can be found on the product page on our website) for full details on recommended temperature, activity and time before using this product.
