

ENDURANCE DRIVE SALOPETTE

Providing the highest level of warmth and comfort for cold store workers, a perfect accompaniment to the Endurance Drive Jacket X29J

Warmth and Breathability

Clo Insulation provides great comfort and warmth whilst remaining lightweight and non-bulky to thermoregulate your body temperature and sustain the optimal level.

Durability

Using 310gsm Endurance Fabric for maximum strength, placed in high wear areas such as the lower legs to increase longevity of the garment. Incorporating yellow seam protector for visibility and to prevent damage.

Adjustable Design

Adjustable leg cuff with 3 possible length settings. Quick & easy to adjust, using a simple popper system to set the length that suits you.

Use with **X29J** jacket

Sizes: **XS - 6XL** | Order Code: **X29S**

High front • Knee pad pockets • Zip puller to help with ease of dressing/undressing while wearing gloves • Deep front pockets

Typical Application

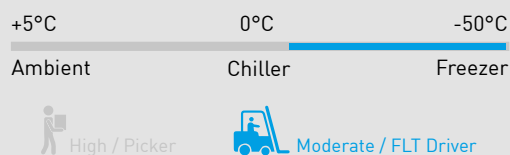

Favoured by forklift and pallet truck operators in sub-zero temperatures due to the performance insulation and the high front for maximum warmth.

Important! Certification for this product is only valid when worn with a corresponding / certified jacket
