

CLASSIC COLD STORE SALOPETTES

Flexible, warm and custom designed for cold environments, the X28S works perfectly with our Classic Cold Store Jacket X28J. A great all rounder

Comfort
High front and back providing protection to vital organs and with a pre-curved leg design.

Clo[®]
Insulation

Warmth
Clo Insulation provides great comfort and warmth whilst remaining incredibly lightweight and non-bulky. Although these salopettes are noticeably lighter than the industry standard, they have undergone testing down to -84°C and proved sustained warmth at this temperature.

Durable Design
Using darker HTTY fabric in high wear areas for resistance to stains and using a yellow seam protector for visibility and to prevent damage.

Use with **X28J** jacket

Sizes: **XS - 6XL** | Order Code: **X28S**

260gsm fabric • Long leg zips • Deep front pockets • Comfortable and adjustable strap buckle design • Bright yellow fabric provides great visibility

Typical Application

Used widely across all roles in the cold store, these salopettes offer ultimate comfort and warmth from the many features such as Clo-Insulation.

Important! Certification for this product is only valid when worn with corresponding certified jackets
